## READ CAREFULLY BEFORE ORDERING

**Stock.** The long rainless summers which permit our iris gardens to dry off and bake early in the season, our sloping hillsides which provide fine winter drainage and the care we exercise in selecting and raising our stock enable us to ship promptly as fine rhizomes as can be grown.

All orders will be filled with good blooming size stock.

All orders will be taken subject to stock and to release by the Federal Horticultural Board on certain designated imported varieties.

Iris orders will be filled from June 1st to October 1st—to suit customer's convenience.

**Terms** are net cash before shipment unless otherwise arranged; 25 per cent deposit will hold early orders till shipping time. Orders not fully paid for will be sent C. O. D. for the balance.

**Remittances** should be made by post office money order, express order or bank draft.

**Conditions of Sale.** We exercise every care to ship only first class stock, but give no warranty, expressed or implied, and will not in any way be responsible for the results of planting or forcing of any seeds, bulbs, roots or tubers sent out by us. We are anxious to satisfy all of our customers and will gladly make replacement or refund purchase price of any article that does not prove true to name or does not arrive in good growing condition. Please notify us at once if shipment does not arrive in satisfactory condition. If the purchaser does not accept the goods on these terms no sale is made, and they must be returned at once.

This List cancels all previous quotations.

We pay all packing and transportation charges except on orders of less than \$3.00. Add 5c per rhizome to cover packing and transportation on orders of less than \$3.00.
